

## Flying Direct

You can fly to many places in Canada and beyond, directly from Halifax.  
Can you guess some of the places? Choose from the options below.

1. In 1931 this was the very first destination you could fly to from Halifax. Nova Scotia also sends this city a Christmas tree every year as thanks for their help after the Halifax Explosion in 1917.

2. This city is the birthplace of Canadian confederation and this province is also the home of Anne of Green Gables.

3. Home of the Ford Motor Company, this city is near Lake Michigan.

4. This city is famous for the Royal Family (Windsor) and the clock Big Ben.

5. The Royal Canadian Mint is in this city along with the RCMP Musical Ride.

A - London, England

D - Charlottetown, Prince Edward Island

B - Boston, Massachusetts

E - Detroit, Michigan

C - Ottawa, Ontario

---

Did You Know? ... Halifax Stanfield International Airport has Falcons (birds of prey) that fly over the runways everyday to scare away other birds to keep them safe.
